CMMI L5 · ISO 9001 / ISO 20000 · AS9100 · HIPAA · Agile / Scrum · ITIL

PROFESSIONAL SUMMARY

Quality and Delivery Excellence leader with 19+ years helping software and application-service organizations operate at high maturity. Trusted process partner across Healthcare, Aerospace, Airlines, Insurance, Infrastructure, and Product Development — clients include Johnson & Johnson, GE, Virgin Airlines, Microsoft, Boeing, and Sony. Turns CMMI L5, ISO, AS9100, HIPAA, and ITIL into practical habits that lift CSAT, protect SLAs, and clear audits — coaching teams with clarity under delivery pressure.

SHILPA K.E · Detailed Professional Experience

Senior Lead SQA — Delivery Excellence / Process Governance

Jun 2023 – Present

Mphasis, Bangalore | Domain: Insurance

- Lead engagement risk assessment, iPG onboarding, and BE governance — SOW/contract review, kick-offs, PDP/process tailoring, and weekly cadence.
- Run monthly Process Health Checks and EWR reviews; publish Health Scores/PCI; drive Ticket Quality Audits and artifact compliance.
- Facilitate CARs (5 Whys, Fishbone, Pareto, ANOVA); prepare CMMI/ISO assessments via mock audits, PPMs, and Level-5 CAR coaching.
- Own PMR / Go-To-Green for RED/AMBER projects; strengthen metrics — IPG submissions, QPPO variance, MMR packs, CSAT SIP validation; Train-the-Trainer rollouts.

Senior Lead SQA — Healthcare Application Services

Jul 2019 – May 2023

Alphaserve Technologies (EZE Castle Integration), Bangalore | Healthcare · India & USA time zones

- Process Consultant and Agile coach for multi-location application services; drove ISO adherence and continuous QMS updates.
- Embedded quality into Agile ceremonies and ran stage-gate assessments to surface process risk vs. milestone goals.
- Executed work-product compliance audits; tracked utilization, timesheets, vendor SOW status, and invoice data integrity; supported SOC 2 audit readiness.

Senior Lead SQA — Clinical Data Analytics (Client: Johnson & Johnson)

Oct 2017 – Jul 2019

Galaxy Solution, Bangalore | Healthcare · India & Europe time zones

- Process Consultant / Agile coach for clinical analytics in Belgium and Bangalore; ensured HIPAA and ISO adherence across releases.
- Governed Jira story readiness — code review, unit tests, E2E, defect validation; audited FS, CRs, impact analysis, test reports, and traceability.
- **Achievements:** two customer appreciations; zero customer escalations; consistent management and customer status reporting.

Lead SQA — Airlines & Infrastructure (Clients: Virgin Airlines, GE)

Dec 2014 – Oct 2017

Tech Mahindra, Bangalore | Airlines & Infrastructure Management Services

- Process Consultant for airline IMS; built engagement dashboards for SLA, rejections, inflow/outflow, failure modes, CI trends, and ticket hygiene.
- Drove analytics for execution gaps — HOP-over, MTTR, same-day closure, ageing, category, chronic tickets; led RCA and hotspot closure.
- Validated SOW/MSA deliverables, penalty clauses, and KPIs against actuals; planned and closed internal audits.
- **Achievements:** 100% attainment of 98% SLA goal (vs. industry typical 90–95%); CSAT 4.7/5 (vs. ~4.0–4.2); zero NCs across three quarters.
- **Awards:** Pat-on-the-Back (Q3 2015); Bravo Award (Q1 2016); pivotal Delivery Excellence Award nomination.

SHILPA K.E · Professional Experience (continued)
